

# Ask your sponsors for help

---

## Is your unit-based team lagging?

### Give it a leg up—ask your sponsors for advice!

- » Involve your union and management sponsors in setting milestones and monitoring your UBT's progress.
- » Ask your sponsors for help in dealing with barriers that the team's co-leads can't resolve.
- » Does your test of change need additional resources? Your sponsors may be able to help.
- » Talk to your sponsors about how they—and you—can give recognition for improved team performance.

For more information on sponsoring unit-based teams, please visit [LMPartnership.org](http://LMPartnership.org).
