

## FEATURED TEAM

Ambulatory Surgery Recovery,  
Moanalua Medical Center, Honolulu

# Cutting costs, clutter in the OR

## WHAT THEY DO

Team members created a more organized supply room by clearly labeling shelves and supplies, helping them keep better track of their inventory. They are also maintaining the inventory on a computer spreadsheet.

## RESULTS

The team saved nearly \$10,000 per month by reducing duplicate and overstocked supplies for the medical center's operating room.
